1. The scheduled workshop for the City of Flemington was called to order by Mayor Paul Hawkins on Thursday, November 12th, 2020 at 4:31 p.m. in the conference room at City Hall in Flemington, GA. A quorum necessary to conduct business was visibly present via Zoom video conferencing.
2. Mayor Hawkins welcomed all attendees, both in person and on Zoom. He asked that participants keep their sound muted until they need to speak.
3. Councilwoman Smiley introduced Mr. Doug Gebhardt, Vice President at Davenport Public Finance Company. Mr. Davenport immediately shared that his visit was only informational and that he could not advise Council on anything that day. He shared a PowerPoint presentation that introduced his company, different types of services his company offered and some financial models from other similarly populated cities. The general consensus from Council was that it was a bit too early to include Mr. Gebhardt. Council requested an in-person workshop to discuss prioritization of projects facilitated by the Coastal Regional Commission (with social distancing and masks) and to learn what the CRC can offer in the way of notification of grants and grant writing.
4. Mayor Hawkins adjourned the workshop at 6:04 p.m.
