1. The workshop of the Council of the City of Flemington was called to order by Mayor Paul Hawkins on Tuesday, October 4th, 2022 at 1:23 p.m. in the Council Room at Flemington City Hall. A quorum necessary to conduct business was visibly present.
2. Mayor Hawkins welcomed all attendees, both in person and virtually.
3. Mr. Sack, City Engineer, opened the discussion regarding City of Flemington roads. Mr. Sack gave a Power Point presentation showing all the main roads and tasked each Council member to fill out individual assessments to rank the roads from worst to best after driving the roads. Mr. Sack stated that the LCPC would get traffic counts of the main roads. He also stated that the Liberty County Board of Commissioners had requested a list compiled from the returned assessments as to where the Council felt assistance with funding was most critical. Assessments were to be filled out and returned to Mr. Sack as part of a future presentation.
4. Mayor Hawkins opened the discussion of a millage rate to be imposed on the citizens of Flemington. There was discussion held regarding the millage rate needed. Some concerns of the Council were future funding of a new City Hall, power bills, landscaping, and fire services. While proponents of 3.5 mills or higher cited funding the future and building reserves, those opposed cited not overtaxing the citizens. Ultimately, *Councilman Edwards made a motion to move forward with the millage rate discussion around 3 mils. Councilwoman Evans seconded the motion. All approved. The motion passed.*

5. *Councilman Edwards made a motion to adjourn. Councilman Logan seconded the motion. All approved. The motion passed and the workshop adjourned at 2:42 p.m.*

Respectfully Prepared and Submitted by:

Jenelle Gordon, City Clerk
