1. The millage rate public hearing #2 of the Council of the City of Flemington was called to order by Mayor Pro Tempore Harwell on Friday, November 28th, 2025 at 6:00 p.m. in the Council Room at Flemington City Hall.
2. MPT Harwell welcomed all attendees to the public hearing.
3. MPT Harwell explained that the Public Hearing was necessary because the hearings held in August were based on the 2024 digest. Since the 2025 digest has now been published, a new hearing was required.
4. Kim McGlothin gave a presentation regarding the reasons for the necessity of a millage rate to be enacted to balance the budget and provide services to the citizens.

After the presentation concluded, the MPT opened the floor to public comment which was deferred because no one was in attendance other than council.

5. With no other public comments or questions, the public hearing adjourned at 6:07 p.m.
